

Kristen Aiemjoy, PhD, MSc

Kristen Aiemjoy, PhD, MSc

kaiemjoy@health.ucdavis.edu

Positions

Assistant Professor - Oct 2021 -

****University of California Davis School of Medicine****

****Division of Epidemiology****

****Department of Public Health Sciences****

Adjunct Assistant Professor - Jan 2023 -

****Mahidol University Faculty of Tropical Medicine****

****Department of Microbiology and Immunology****

****Bangkok, Thailand****

Visiting Scientist - June 2022 -

****Mahidol Oxford Tropical Medicine Research Unit****

****Epidemiology Unit****

****Bangkok, Thailand****

Postdoctoral Research Fellow - 2018 - 2021

****Stanford University School of Medicine****

****Division of Infectious Diseases and Geographic Medicine****

Education

University of California San Francisco — 2013 - 2018

PhD Epidemiology

Thesis: *Serologic approaches to trachoma surveillance and the estimation of force of infection*

London School of Hygiene and Tropical Medicine — 2010 - 2011

MSc Public Health

Georgetown University, Walsh School of Foreign Service — 2006 - 2010

BSc Foreign Service & Global health, Cum Laude

Publications

Saiprom N, Nimnuan-ngam S, Phunpang R, Schildhauer SH, Morrison AC, Driemeyer C, Hennig N, Vaidya K, Tran V, Blacksell SD, Limmathurotsakul D, Bougnom BP, Aiemjoy K, Seidman JC, Pan-ngum W, Suttinont C, Blumberg S. Multiplex serosurveillance for Japanese encephalitis virus, dengue virus, *Leptospira* spp., and Plaut's murine typhus in rural northeastern Thailand. *In preparation*

Invited Presentations

- Mahidol University Faculty of Tropical Medicine, Bangkok, Thailand. “Antibody dynamics and serosurveillance for enteric fever.” 2024.
- Aga Khan University, Karachi, Pakistan. “Antibody dynamics and serosurveillance for enteric fever.” 2023.
- Dhulikhel Hospital, Kathmandu University, Nepal. “Antibody dynamics and serosurveillance for enteric fever.” 2023.
- National Academy of Sciences Workshop on Serological Assays, Washington, DC. “Serosurveillance for enteric fever” 2022.
- Mahidol Oxford Tropical Medicine Research Unit, Bangkok, Thailand. “Establishing a seroepidemiology lab in Bangkok.” 2022.
- The AIDS Support Organization (TASO), Entebbe, Uganda. “Developing adolescent-friendly sexual and reproductive health services in a Ugandan catholic school.” 2012.
- Médecins Sans Frontières, London, UK. “Developing adolescent-friendly SRH services in a Ugandan catholic school.” 2012.

Scientific Conference Presentations

- American Society of Tropical Medicine & Hygiene (ASTMH) Annual Meeting, 2024. “Enteric Fever Incidence in children in South Asia” Oral presentation.
- ASTMH Annual Meeting, 2024. “Environmental surveillance for Salmonella Typhi and Paratyphi in Nepal.” Oral presentation.
- ASTMH Annual Meeting, 2023. “Scrub typhus seroepidemiology and serosurveillance.” Oral presentation.
- ASTMH Annual Meeting, 2023. “Typhoid serosurveillance using antibody dynamics.” Oral presentation.
- ASTMH Annual Meeting, 2022. “Estimation of enteric fever incidence from community-based serosurveys.” Oral presentation.
- ASTMH Annual Meeting, 2021. “Recurrent enteric fever infections in children in South Asia.” Oral presentation.
- International Conference on Typhoid & Other Invasive Salmonellosis, 2021. “Estimating typhoid incidence from serosurveys in LMICs.” Oral presentation.
- International Conference on Typhoid & Other Invasive Salmonellosis, 2019. “Serological incidence estimation of typhoid in LMICs.” Oral presentation.
- APHA Annual Meeting, 2018. “Student-led project to increase youth utilization of SRH services at a California high school.” Poster.
- APHA Annual Meeting, 2015. “Water aid point sources in Guangdong Province, China.” Poster.
- UCSF Global Health Day, 2014. “Trachoma serology and seroconversion rate measurement in Amhara, Ethiopia.” Poster.

Conference Symposia and workshops

- Organizer/Chair, Symposium on “Serosurveillance for typhoid and other enteric infections”, ASTMH 2024.
- Co-organizer, Workshop on “Serologic tools for enteric fever surveillance”, Typhoid Conference 2023.
- Panelist, Workshop on “Seroepidemiologic methods for neglected tropical diseases”, ASTMH 2022.

Grants and Fellowships

K01-TW012177: Estimating the Seroincidence of Melioidosis, Typhoid Fever and Scrub Typhus from Antibody Dynamics

Role: Principal Investigator

Funder: NIH Fogarty International Center

Years: 2021–2026

R21-AI162934: Antibody dynamics and serosurveillance for enteric fever in South Asia

Role: Co-Investigator

Funder: NIAID

Years: 2021–2024

Bill & Melinda Gates Foundation: Seroepidemiology platform for enteric infections

Role: Co-Investigator

Years: 2023–2026

Thrasher Research Fund Early Career Award

Project: Serologic tools for scrub typhus surveillance in Nepal

Role: Principal Investigator

Multiple additional internal UC Davis and Mahidol University seed grants, pilot awards, and trainee awards as in original CV.

Additional Research Experience

Research Fellow — 2013–2018

UCSF Francis I. Proctor Foundation for Research in Ophthalmology

Epidemiology and seroepidemiology of trachoma and neglected tropical diseases; implementation research and field surveys in Ethiopia, Niger, and other settings.

Research Coordinator — 2011–2013

The AIDS Support Organization (TASO), Uganda

Led adolescent sexual and reproductive health intervention design and evaluation; qualitative and quantitative data collection; health services research.

Student Researcher — 2011

Ifakara Health Institute

Tanzania

Student Researcher — 2011

The AIDS Support Organization (TASO)

Uganda

Honors and Awards

Coalition Against Typhoid, Female Leader in Typhoid - 2024

NIH Fogarty K01 Mentored Research Scientist Development Award - 2021

Thrasher Research Fund Early Career Award - 2019

LSHTM Trust Scholarship - 2010-2011

Chadwick Trust Traveling Fellowship - 2011

Cum Laude, Georgetown University - 2010
